

CERTIFICATE OF ANALYSIS – TECHNICAL DATA SHEET

Product name	IFN-gamma, Human, pAb	Expiry date	-
Catalog number	HP9019-20UG		
Lot number	-	Amount	20 µg
Volume	200 µl	Concentration	100 µg/ml
Formulation	0.2 µm filtered in PBS+0.1%BSA	Conjugate	None
Host species	Rabbit IgG	Purification	Protein A
Endotoxin	<24 EU/mg		
Storage	4°C		

Application notes

	IHC-F	IHC-P	IF	FC	FS	IA	IP	W
Reference #								
Yes	•				•	•		•
No								
N.D.		•	•	•			•	

N.D.= Not Determined; IHC = Immuno histochemistry; F = Frozen sections; P = Paraffin sections; IF = Immuno Fluorescence; FC = Flow Cytometry; FS = Functional Studies; IA = Immuno Assays; IP = Immuno Precipitation; W = Western blot

Dilutions to be used depend on detection system applied. It is recommended that users test the reagent and determine their own optimal dilutions. The typical starting working dilution is 1:10.

- FS: For neutralization of biological activity in vitro dilutions have to be made according to the amount of IFN-gamma to be inactivated.

General Information

Description The antibody reacts with human gamma IFN (IFN-gamma) of both natural and recombinant origin. IFN-gamma is a pluripotent cytokine with important pro-inflammatory functions. The antibody inhibits the biological activity of natural and recombinant human IFN-gamma. The antigen specificity was further assessed by ELISA and Western blot. No cross reactivity with other cytokines have been detected.

Storage&stability Product should be stored at 4°C. Under recommended storage conditions, product is stable for at least one year.

Precautions For research use only. Not for use in or on humans or animals or for diagnostics. It is the responsibility of the user to comply with all local/state and federal rules in the use of this product. Hycult Biotech is not responsible for any patent infringements that might result from the use or derivation of this product.

We hereby certify that the above-stated information is correct and that this product has been successfully tested by the Quality Control Department. This product was released for sale according to the existing specifications. This document has been produced electronically and is valid without a signature.

Approved by Manager of QC
Brenda Teunissen
